Mrs. Pautz:

Thank you for your 36 years of faithful

service. You have been a blessing to our children in the classroom. May God continue to bless you during your retirement!

Thank You

Thank you to our School Friends parents for making Teacher Appreciation week so special during "safer at home." We were overwhelmed with your generosity! We miss our students every day and can't wait to be back at school with them this fall.

Blessings from St. Peter's School Staff.

Missions: Thank you to all. We raised \$64.62 for Martin Luther College.

Summer Reading Program: The Jefferson Public Library will be starting their Summer Reading Program on June 15th. Kids can earn badges and win cool prizes. Visit jeffersonwilibrary.org for more information of their online program.

Vacation Bible School for this summer has been cancelled. We are sorry to do this, but feel we need to comply with the restrictions we have now, and as we are unsure of what they will be in June. We cannot wait to see everyone next summer at an extra special VBS.

SCRIP forms are due by Friday, June 19th. Order forms are available in the school office and are sent out in the monthly Guide. For the summer, please mail forms to the school office or give to Jenny Statz. **We also have the lots of cards on hand at school for purchase over the summer.**

Hot Lunch Helpers Needed - We have restarted serving hot lunch to our ECC children and will continue to serve them hot lunch all summer long. If you would be available to help occasionally, please contact Kelly Vogel at 920-650-2202. Help is need from 10:15 am till approximately noon Monday through Friday.

HELP WANTED - Our school is in need of a janitor. Cleaning evenings on Tuesdays, Thursdays & once over the weekend. To

apply please contact Principal, Craig Winkler at 262-582-3010 ext. 203 for more details.

Due to the restrictions that were in place, and some desire for social distancing we have not yet set a date for this year's Church Picnic. We are discussing what type of church picnic would be appropriate and make everyone feel comfortable. If you have suggestions, please contact Mattie Horta or Kelly Vogel. We would love to hear from you. ☺

School Band: Mr. Pierce is excited about resurrecting our band program for students

in grades 5 - 8. Mr. Pierce will be at school registration on August 5, to describe his program, show instruments and answer questions.
