Weather By: Hailey Thoma

It looks like that March is going to be partly cloudy and snowy and maybe it might be sunny. I am positive that it might be snowy the most. I like the snow very much because you can play with it and make igloos and snow angels and tunnels. I like the sun because it makes me warm and because you get to play in the mud. March came in like a lamb.

How To Make Unicorn Slime

- ½ cup white glue
- ½ cup foaming shaving cream
- ½ teaspoon borax powder
- 1 cup of water
- Blue, pink and yellow neon food coloring

By: Riley Anton

Instructions:

1. Mix glue and shaving cream with a spoon.
2. In a separate bowl or a cup, mix ½ teaspoon of borax in one cup of water. Stir until the borax is dissolved. (to speed up this progress, place this mixture in a glass cup in the microwave 30- 60 seconds)
3. Add about a teaspoon of the borax and water mixture into the glue and shaving cream and mix.
4. Knead with your hands and if it is too sticky add a tiny bit of borax and water mixture.
5. Once your slime is ready, separate into three pieces
6. Add a drop of blue food coloring into the first piece of slime and knead. And begin to add pink and yellow to the other pieces.
7. Once they are all done put them together and knead with your hands.
