### Grand Event News

From now until April, we'll feature something new or interesting about this opportunity to support your LLHS while having fun. Our 10th annual gala looks different this spring as we move it off campus and change the format to a 4-hour open house. Ticket holders can come and go as they wish that Saturday, April 10, or stay the whole aft and enjoy everything to the full. There will still be food and beverages, (though not a sit-down dinner), and there will certainly be fabulous donations to bid on, as well as raffle items. Special school projects and demos will be on display, and if our survey results hold true (4 of every 5 respondents told us to definitely hold an in-person gala this spring) you'll be in great company when you join in the day! Show your support by purchasing your ticket or sponsorship right now. **Also, Basket donations needed!**
